

## Bell Monument Engraved Brick Form

### Etna Turns 150!

#### RESERVE YOUR PERMANENT PIECE OF ETNA'S SESEQUENTENNIAL!!!

This coming September 15, Etna will turn 150 (official) years old! And we are going to celebrate! Festivities are being planned by a volunteer group for the four-day event, September 13<sup>th</sup> through the 16<sup>th</sup>! One of several projects being planned for the event, is the overhaul and improvement to the Bell Monument located at the Municipal Building. Late last year, the blank bricks (non-engraved) from the original installation, done for the 125<sup>th</sup> Bash, were auctioned off, with a minimum bid of \$100.00!

That auction is closed, but we are now selling engraved bricks for the sidewalk area in front of the monument, where the benches are located. You can reserve your brick now with a payment of \$55.00. This is a fund raiser for the overall celebration and a chance to make a permanent message or memorial to the community!
