

# Etna Borough 2017 Leaf Collection

It's that time of year again—cool weather, football, and leaves everywhere! The Etna Public Works Department is here to help with leaf collection and will use a vacuum to clean up leaves that are placed at the curb by residents. To ensure

your leaves can be collected, please have leaves placed at the curb by **7AM** and have your vehicle clear of the area. The days of collection are below:

**Monday** – Bittner Plan

**Tuesday** – Dewey St. Area

**Wednesday** – Pine St. to Walnut St. and all connecting roads

**Thursday** – Parker and Washington Areas

**Friday** – Cherry and Sycamore Area

This is a tentative schedule that may differ if we encounter delays due to large quantities of leaves.

**Collection will begin Monday, October 9<sup>th</sup> and end Wednesday, November 22<sup>nd</sup>.**

Any leaves placed out after November 22<sup>nd</sup> **will not** be collected!
